Welcome Messages

"It is a great honour for me to welcome all the Athletes that, from all over Europe, are present in Coimbra for the Multisport Festival 2024.

The Portuguese National Federation and the Local Organizing Committee have done a tremendous job to prepare the venues where you will battle for the Medals and the European Title in the different disciplines.

Coimbra is a great city, a World Heritage Site, and, when not training or competing, will give you the possibility to enjoy the friendly atmosphere, the monuments and the fantastic food.

This will be the 4th Edition of the European Multisport Festival that after Ibiza, Targu Mures, Bilbao, will make it's debut in Portugal.

Have great races and see you at the venue. "

Renato Bertrandi

Europe Triathlon President

Dear athletes,

Welcome to Coimbra, the right place to be and the best place to be happy forever!

We are delighted to host the Europe Triathlon Multisport Championships 2024 in Coimbra, the most beautiful city in the world.

As Mayor of Coimbra, I'm grateful to welcome you to such an enriching experience. Let me tell you a little bit about Coimbra...

Coimbra was the first Capital of Portugal and the first King of Portugal was D. Afonso Henriques.

The city's history can be seen in its narrow streets, dating back to medieval times and in the vast heritage built over the centuries - monuments from different periods, such as the Cathedrals, Sé Velha and Sé Nova, the Monastery of Santa Cruz, as well as countless churches, museums and historic gardens.

Influenced by the monumental heritage of Coimbra, in 2013, UNESCO granted the University of Coimbra, Sofia and Alta the status of "World Heritage Site", which is an important asset for this territory, making us very proud.

The city has several infrastructures in terms of sports activity, such as the Estádio Municipal de Coimbra, Pavilhão Municipal Multidesportos Mário Mexia or Centro Olímpico de Piscinas Municipais, among many others. In the last two years, we hosted important sport events like the WRC Vodafone Rally de Portugal or several European championships of different sports.

This city is also very much in touch with nature, enjoying the potential offered by the green spaces, gardens and parks. The banks of River Mondego provide opportunities for sports facilities (including volleyball, a skatepark, canoeing, rowing, sailing and stand-up paddle).

Regular events and festivities in Coimbra take place all year round. Highlights include the Academic Festivities - Queima das Fitas and Latada -, New Year's Eve, City Festivities, the Book Fair and concerts by major national and international bands (like Coldplay).

Coimbra also has a musical expression that is unique in the world: Fado de Coimbra. It is played and sung by the students of the University with poems that mainly evoke love, the city and the Academy.

I hope you enjoy Coimbra to the full and enjoy the intense sport activities!

Come back, after you leave - again and again - because this challenging city will always be yours: to study, to visit, to work and to live in.

Let me tell you a secret: those who come to Coimbra never forget the city.

Thank you and welcome to Coimbra!

Congratulations for your efforts and dedication!

L.O.C. MESSAGE

Welcome athletes to the vibrant city of Coimbra!

Nestled along the serene banks of the Mondego River, Coimbra blends rich history with modern charm, offering you an unforgettable experience. As you explore our city, you'll encounter architectural marvels like the historic University of Coimbra, a UNESCO World Heritage Site, and the breathtaking Sé Velha Cathedral. Embrace the lively atmosphere of our streets, where traditional fado music fills the air and quaint cafes invite you to savour local delicacies. Coimbra's picturesque landscapes and warm hospitality are sure to captivate you. We extend our warmest greetings and wish you a memorable stay. Let the spirit of our city inspire you to achieve greatness.

Welcome to Coimbra, where every moment is an adventure and we hope to see you next year racing at MultiSport Weekend Coimbra 2025 !

Dear Athletes,

On behalf of the Federação de Triatlo de Portugal, it is my utmost pleasure to extend a warm welcome to each and every one of you participating in the upcoming 2024 Europe Triathlon Multisport Championships in the beautiful city of Coimbra.

As athletes, you epitomize dedication, perseverance, and the pursuit of excellence. Your commitment to our sport inspires your fellow competitors, but also enthusiasts worldwide. Now, as you prepare to display your skills on the scenic courses of Coimbra, I have no doubt that you will captivate us with your performances.

This event marks an important moment for triathlon in Portugal, as we celebrate 40 years of triathlon in the country. Having the possibility to share this celebration with the European triathlon community, bringing together athletes from diverse backgrounds and cultures to celebrate our shared passion for triathlon, is a plus. It is also an opportunity to forge new friendships and to create memories that will last a lifetime.

Coimbra, with its rich history, vibrant culture, and stunning landscapes, provides the perfect backdrop for this competition. Whether you're tackling the swim in the pristine waters of the Mondego River, conquering the bike courses through picturesque countryside and unique city historic sites, or pushing your limits on the exhilarating run, know that you are part of something truly special.

As you embark on this journey, remember that while victory is sweet, it is the journey that defines you as athletes. Cherish every moment, embrace the camaraderie, and compete with the spirit of sportsmanship that embodies the essence of triathlon.

I would like to express my deepest gratitude to the municipality, organizers, volunteers, sponsors, and supporters whose tireless efforts have made the 2024 Europe Triathlon Multisport Championships event possible. Their dedication ensures that you have the opportunity to showcase your talents on the grand stage of Coimbra.

To you all, I wish you the best of luck. May your hard work and determination be rewarded during your time in Portugal. Remember, you are not just competitors; you are ambassadors of our sport, and your passion and commitment inspire us all.

Welcome to Coimbra!

Warm regards,
Sérgio Dias

President,
Federação de Triatlo de Portugal

Coimbra is a city and a municipality in Portugal. The population of the municipality at the 2021 census was 140,796. The fourth-largest agglomerated urban area in Portugal after Lisbon, Porto, and Braga, it is the largest city of the district of Coimbra and the Centro Region.

One of the most important cities in Portugal, Coimbra, beautifully embraced by the Mondego River, was once the capital of the Portuguese Kingdom and continues to be a deeply fascinating city, owner of a glorious history, magnificent monuments and historical landmarks. The ancient University of Coimbra, classified as a UNESCO World Heritage site, is a lighthouse of knowledge, as well as an enduring symbol of the Portuguese-speaking world.

Coimbra truly has it all: one of the most prestigious universities in the world, the University of Coimbra; lavish gardens, such as the iconic Botanical Garden of the University of Coimbra or the romantic gardens of Quinta das Lágrimas, where the immortal love of King Dom Pedro and Inês de Castro took place; imposing monuments and churches; fascinating museums; historical cafés where some of Portugal's most prestigious writers met to discuss the most challenging questions and the inescapable academic traditions that so evidently define city's own identity.

There are also several charming boutique hotels, inviting restaurants, the one-of-a-kind Portugal dos Pequenitos, a theme park for kids that recreates Portugal in a miniature scale and so many other enchanting spots that tell endless stories.

Coimbra has that magical spell of an historical city with eyes on the future! This spell lasts forever.

6.4. Competition Rules

The event follows the latest published Competitions Rules of the World Triathlon (TRI).

Swim segment

Middle Distance Triathlon & Aquabike

Age groupers will have rolling start system, with 5 athletes leaving every 5 seconds.

Wetsuit rules

Wetsuit rules are, as per World Triathlon Competition Rules, dependent on water temperature:

	Swim distance	Forbidden	Mandatory
Elite, U23, Junior	Up to 1500m	20°C and above	15,9°C and below
	1501m and longer	22°C and above	15,9°C and below
Age-Group from the youngest to 55-59 category	Up to 1500m	22°C and above	15,9°C and below
	1501m and longer	24,6°C and above	15,9°C and below
Age-Group from 60-64 category to the oldest	All distances	24,6°C and above	15,9°C and below

For Para athletes, wetsuits are mandatory when the water temperature is 17,9°C and below and wetsuits are forbidden when the water temperature is 24,6°C and above.

Clothing rules

Athletes cannot wear calf sleeves if wetsuits are not permitted for the event. Athletes can wear calf sleeves if wetsuits are permitted for the event, regardless of whether they are wearing a wetsuit or not. Athletes can wear socks during the swim if the water is below 15.9°C. Athletes cannot wear gloves during the swim.

Swim safety

On the swim course, there will be a large swim safety team to support the athletes. Should you require any assistance or want to pull out of the race during the swim, lie on your back and raise your arm in the air and a kayak will come to assist you. Don't panic, your wetsuit will help aid your buoyancy.

If you withdraw during the swim, it is vital you report to a technical official immediately to let us know that you're safe.

Bike segment

Middle Distance Triathlon & Aquabike

With a lot of athletes on the bike course, please always stay RIGHT (unless you pass)! Please try not to cross the dividing line of the carriageway.

Mount Line

Always follow the signage and technical official instructions. You may only mount your bike AFTER you have crossed the 'mount line', which will be clearly marked with tape and marshalled by technical officials. Bikes must be pushed until you are over this line. Any crossing of the line indicating the middle of the street observed by a Technical Official will lead to a disqualification.

Dismount Line: After completing your final lap, head back into transition where you will be instructed to dismount BEFORE the line. Again, this will be marked on the ground with tape and marshalled by technical officials. Bikes must be returned to the same transition spot and helmets may only be removed once your bike is racked.

Aquabike Finish Line

There will be a finish line for the Aquabike after you complete the fourth loop of the bike segment. Only after completing 4 loops you can enter (on your right hand side) this area. Athletes cross the finish line at the dismount line with the bike in hand. After that they place the bike in the Transition Area and continue to the finish area on foot, in order to receive the t-shirt and finisher medal.

Medical Support

There will be medical support at strategic points along the bike course, please inform the nearest volunteer if you require medical attention. If you need to withdraw, please, inform the nearest technical official.

Drafting

Drafting is cycling close to the bike in front and thereby gaining an advantage. Duathlon Standard, Middle Distance Triathlon and Aquabike Middle Distance are non-drafting races. The bicycle draft zone will be 10 metres for Duathlon Standard and 12 metres for Middle Distance Triathlon and Aquabike measured from the leading edge of the front wheel.

An athlete may enter the draft zone of another athlete but must be seen to be progressing through that zone. A maximum of 20 seconds for Duathlon Standard and 25 seconds for Middle Distance Triathlon and Aquabike will be allowed to pass through the zone of another athlete.

Penalties

Drafting: Technical officials will notify the athletes caught for drafting that they are subject to a time penalty by getting their attention (e.g whistle), showing a blue card, calling in English the athlete's number and saying "Drafting penalty, you have to stop at the next penalty box". The athlete sanctioned has to stop in the NEXT penalty box and must stay there for two minutes (Duathlon Standard) or five minutes (Middle Distance Triathlon and Aquabike). It is the athlete's responsibility to stop in the next penalty box. Failing to stop will result in disqualification. The third drafting offence will lead to disqualification. Drafting violations cannot be protested/appealed.

There will be 1 penalty box per lap on the bike course for Duathlon Sprint (only for Para), Duathlon Standard, Middle Distance Triathlon and Aquabike.
The penalty must be taken on the lap in which it was applied.

Blocking

Athletes must keep to the side of the course and not create a hazard by blocking other athletes on the course. Blocking is where an athlete who is behind an athlete cannot pass due to the leading athlete being poorly placed on the course.

Technical officials will notify the athletes who are blocking that they are subject to a time penalty by getting their attention (e.g whistle), showing a yellow card, calling in English the athlete's number and saying "Blocking penalty, you have to stop at the next penalty box". The athlete sanctioned has to stop in the NEXT penalty box and must stay there for 15 seconds (Duathlon Standard) or 30 seconds (Middle Distance Triathlon and Aquabike).

Littering

There are designated littering areas before and after each aid station. Littering outside these areas will lead to a time penalty of 15 seconds (Duathlon Standard) or 30 seconds (Middle Distance Triathlon and Aquabike) if it cannot be corrected.

Gear restrictions

Illegal equipment includes, but is not limited to:

- Headphones, headsets, technical earplugs or smart helmets which are inserted or covering the ears.
- Glass containers
- Bike or parts of the bike not complying with these rules.
- Uniform not complying with the applicable guidelines regarding authorised identifications.
- Any equipment or devices carried during the bike segment or added to the bike are subject to approval by the head referee before the competition and must be securely mounted, not endanger any athlete or give an unfair advantage.
- For cameras and video cameras, in addition to requiring approval from the head referee, all the images and footage taken will be copied by World Triathlon. The use of those images for commercial purposes is subject to approval by World Triathlon.

Run segment

Middle Distance Triathlon & Aquabike

With many athletes on the run course, be careful please. Show respect and sportsmanship for everyone please.

Run safety

There will be medical support at strategic points along the run course, please inform the nearest volunteer or technical officials if you require medical attention. It is important that if you withdraw you tell us; we want to know you're safe!

Penalties

Elite, U23 and Junior athletes have run penalty box in each race.
Para athletes have run penalty box in each race.

6.6. Timing Chips

When athletes (Age Groups) check in at the Transition Area they will receive a timing chip to be worn on the athletes' ankle. Elite/U23/Junior/Para athletes will pick up the timing chips in the Athletes' Lounge before the competitions, during their check-in procedure. The timing chip must be returned at the finish area.

6.7. Bike Check-In & Check-Out

All races use the same transition area. Your bike and helmet must have your race number stickers clearly visible on them and your wristband will be checked. Helmets must be worn and fastened whenever you are handling your bike within the transition area.

Before checking-in your bike, make sure you have checked the following things:

1. Your bike is fully functional, e.g. your brakes are working and all extremities of your handlebar or clip-on must be plugged.
2. A sticker with your bib number is placed under your saddle.
3. Each athlete will have a basket next to the bike where they must store all the equipment needed for cycling and running (with the exception of equipment that can be left on the bike, such as helmet, shoes, nutrition, glasses and gloves). Please check the schedule and make sure you are in time for check-in.

6.8. Results

Official results will be uploaded to the World Triathlon official website www.triathlon.org.

6.9. Protests & Appeals

Standard procedures will be followed according to the current World Triathlon Competition Rules.

7 Accreditation

The LOC will provide all the Organising Committee Members, Europe Triathlon Technical Officials, Athletes, VIPs, media, technical staff, volunteers, etc. with an official wristbands.

The wristbands will be distributed at the registration counters at the expo.

Only accredited people will be allowed to access certain venue areas. Accreditation wristbands provide access to specific areas of the competition.

All accredited people are requested to wear their wristbands at all times to show them upon request.

Triathlon, Aquabike and Duathlon Full Distance

On Sunday, June 23rd, starting at 7am, we will have the triathlon, aquabike and Long Distance duathlon events. 3.8km swimming, 180km cycling and 42km running are the distances that the athletes will cover. The cycling route, carried out in four laps of 45km each, is very fast and flat, with fantastic scenery and almost always on roads flanking the Mondego River. The running route, consisting of four 10.5km laps, crosses the historic area of the city of Coimbra, the Mondego riverside promenade, the Green Park, the Choupal National Forest, and many other fantastic areas, with an altitude almost null and with several fueling and refreshment points along the route.

For those who still don't dare to do the long distance, we will also have, on the same circuit, and simultaneously, but in the Standard+ distance (1500m swimming + 45km cycling + 10.5km running) triathlon, duathlon and aquabike competitions, departing at 8am. The images shown below give a small idea of this competition in the 2023 edition.

Registration and more information at www.multisport.pt

Summer Run

Also on Sunday, June 23rd, starting at 9am, we have the Summer Run!! Athletics event at distances of 10.5km, Half Marathon (21km) and Marathon (42km)! Taking advantage of the same route as the triathlon and duathlon races, creating a fantastic human frame, the athletes travel along the entire riverside area, the Choupal National Forest, cross the Mondego River twice and finish at Parque Verde.

With almost zero altitude, and with several fueling and refreshment points along the route, this competition is open to the entire community, from federated athletes to the popular weekend athlete. The images shown below give a small idea of this competition in previous editions.

Registration and more information at www.multisport.pt

Registration for all non-European Championship competitions (Side Events) must be completed at www.multisport.pt

To do this, you must create a user and define a password. Then, you must enter the browser with the new login and from that moment you can proceed with registration in any Side Events.

The regulations for the various competitions and their courses can be consulted on the website.

Aquakid's

Without forgetting the little ones, and thinking about the future of the triathlon sport, and in an Event that aims to be a celebration of sport, on Saturday June 22nd, starting at 6pm, we will have the Aquakid's race.

In this competition, athletes will be divided into two age groups. The first group will be for female and male athletes, aged between 8 and 10 years old, and the second group will be for female and male athletes, between 11 and 14 years old.

In the age group between 8 and 10 years old, athletes start the race with a 100m swim, followed by a 500m run. In the age group between 11 and 14 years old, athletes start the race with a 200m swim followed by a 1500m run. Athletes who wish can have a companion in the water throughout the entire swimming route.

Below are some photos from previous editions of this competition for little ones, which was a fantastic success and all the little athletes remembered it and promised to return in this 2024 edition.
